

## 53' HUSKY STACK®

The 53' Husky-Stack® car is a high-capacity, single-unit double-stack well car. This car is ideal for lanes where heavier container loads are prevalent. The Husky carries containers from 20' to 53' long in each well and can handle containers from 40' to 53' long in the top position. It may be operated as a single car or be configured as a multiple-unit drawbar car.

### DIMENSIONS (APPROX.)

Length, inside	53'
Length, over couplers	76'-8 3/4"
