

5200, 5201 and 5202 Covered Hopper Railcars

Greenbrier offers covered hoppers in cubic foot sizes of 5,200, 5,201 and 5,202. These railcar features the robust strength of a through sill design. All of these designs are optimized for more railcars per train. These are designed with versatility options, including hatch arrangements, outlet gates and interior linings.
