Overview

Greenbrier's Dothan repair facility has been delivering top-tier freight car maintenance for over 35 years. Specializing in boxcars, hoppers, gondolas and flatcars, we provide expert repairs, wreck work, blasting and painting. With M-1003 certification and a strong focus on quality, we optimize efficiency using RMS, Intelx and D365 systems. Our center provides dependable service, ensuring your railcars meet the highest standards of safety and performance.

The Greenbrier Companies

The Greenbrier Companies is a leading manufacturer and service provider in the rail industry, designing and building high-quality freight railcars while offering leasing and management services. Beyond manufacturing, Greenbrier provides wheel services, railcar components and a nationwide repair network to keep railcars in peak condition. With a reputation for quality, reliability and innovation, Greenbrier continues to drive the future of rail transportation.
