Overview

Greenbrier's Finley, WA repair facility delivers industry-leading railcar maintenance with a focus on tank car requalification and freight car repairs. Backed by M-1002 and M-1003 certifications, we offer extensive services, including cleaning, coatings and wreck work. This location, serviced by BNSF and UP, features 12,000 feet of track storage and cutting-edge equipment like overhead cranes. With decades of experience and skilled technicians, we provide efficient, high-quality repairs to keep your fleet running smoothly.

The Greenbrier Companies

The Greenbrier Companies is a leading manufacturer and service provider in the rail industry, designing and building high-quality freight railcars while offering leasing and management services. Beyond manufacturing, Greenbrier provides wheel services, railcar components and a nationwide repair network to keep railcars in peak condition. With a reputation for quality, reliability and innovation, Greenbrier continues to drive the future of rail transportation.
