Overview

For 25 years, Greenbrier's Modesto facility has been a trusted leader in railcar maintenance, specializing in Rule 1 repairs, air brake testing and mobile services. Located on M&ET's service line, we prioritize in-house repairs to minimize costly out-of-town orders. Our skilled team, equipped with advanced tools like computerized air brake testers and battery-operated equipment, ensures railcars meet the highest safety standards.

The Greenbrier Companies

The Greenbrier Companies is a leading manufacturer and service provider in the rail industry, designing and building high-quality freight railcars while offering leasing and management services. Beyond manufacturing, Greenbrier provides wheel services, railcar components and a nationwide repair network to keep railcars in peak condition. With a reputation for quality, reliability and innovation, Greenbrier continues to drive the future of rail transportation.
